Ed Vela's new short play: "Moments Like This" will be featured as the entertainment portion of the Theatre Southwest Monthly Meeting.

An intergenerational family comes to visit Grandma in a nursing home. It's soon evident why Granny is there as she confuses one relative for another and drops off to sleep out of nowhere.

The workshop features TSW faves: John William Stevens and Sudeane Holmes, along with AD Players alums Allison and Dylan Klinge, and TUTS own Michael Karash.

Come out and see this ONE NIGHT ONLY presentation!

And the BEST part is... It's FREE!
