Auditions for Saturn Returns by Noah Haidle at Theatre Southwest

Directed by John Mitsakis

An astrological phenomenon presupposes that when the planet Saturn completes its cycle every thirty years of a human's life, that life is affected by deep trauma and change. The play follows Gustin, a radiologist living in Grand Rapids Michigan at the ages of 88, 58 and 28. He is inextricably bound to the women in his life. At 88 his nurse, Suzanne; at 58 his daughter, Zephyr; and at 28, his wife, Loretta. Gustin endures as the women come and go, live and die.
